It is the intention of our therapists to be flexible in meeting client and family needs. We have established the following cancellation policy that will hopefully be both flexible and reasonable, as we work together to provide services to your child. Our policy is based on the need to avoid unfilled appointments. This is especially important due to the number of families waiting to receive services. Therefore, our policy is as follows:

- If you must cancel an appointment, please do so by giving at least 24 hours' notice. We do
 encourage rescheduling your appointment if possible. It is essential to keep a regular schedule
 for any treatment to be successful. It is our policy that any cancellation with less than 24
 hours' notice will result in a charge of \$50.00. These charges are not reimbursable by your
 insurance company and must be paid at the time of your next scheduled therapy appointment.
- If your child is ill, please contact your therapist as soon as possible and leave a message to inform of cancellation so we can allow the opportunity for another child to utilize your appointment time. Understanding that emergencies do occur, it is our policy that cancellation due to illness with less than *3 hours'* notice will result in a charge of \$50.00.
- If you miss your appointment and do not give notice, you will be charged the rate of **\$75.00**. These charges are not reimbursable by your insurance company and must be paid at the time of your next scheduled therapy appointment.
- Three "no-show "cancellations, missing more than 50% of the scheduled treatment sessions, or habitual cancellations will result in the loss of a reserved treatment time slot and/or your child being discharged from therapy.
- You will be notified as far in advance as possible when your therapist is ill, on vacation, or attending a continuing education conference. Every effort will be made to reschedule your appointments so that your child will miss as little treatment as possible.
- We understand that parents may run an errand during treatment time, but please ensure you are back in the waiting room **10 minutes prior** to the end of the session. Our therapists may want to speak with you regarding your child's progress, and our waiting room is not equipped or staffed to accommodate unsupervised children. Parents that are not back at time of pick-up will not be allowed to leave during future appointments.

Please feel free to contact us if you have any questions about this policy. We remain available to work with you and your child in making the best possible use of this important service.

JS Therapies is committed to working with the families we serve to maximize service provision for all children and collect patient balances in a way that is efficient and convenient for families. Clients have the following options for paying co-pays, deductibles, and any other charges deemed to be patient responsibility.

Please choose ONE of the following options:

□ Credit card to be billed monthly for co-pays accumulated during the month after insurance has paid the allowable amount of each session, or for self-pay amounts charged to client.

* CC authorization form must be on file with JS Therapies. If card is declined more than 2 times and client does not respond within 1 week to pay balance due, a charge of \$25 per week will accrue until balance is paid.

* Credit card option is mandatory for any family whose child is seen for services at school, home, or daycare.

- □ **Pay At Session**. Client is responsible for paying co-payment amount at the front desk at the time of service for each session.
 - * Clients whose children receive services at home/school/daycare must have CC on file.
 - * After two late cancellations/no-shows, clients must have credit card authorization on file.

Please feel free to contact our billing manager if you have any questions about this policy, or if you are experiencing financial hardship and would like to discuss an alternative payment arrangement.

John Schwaninger: jschwaninger@islandtherapysolutions.com or 618-975-3385.
